FOR A BETTER URBAN FUTURE

FIRST ANNOUNCEMENT

Dear Members & Partners,

The Metropolis International Training Institute – Mashhad Branch, the **World Association of the Major Metropolises, FMDV and UN-Habitat**, in the framework of the Uraia Platform, are happy to announce the organization of three parallel training seminars in Mashhad, Iran from December 2-5, 2019.

We cordially invite your city and institutional partners to participate in these activities with the objective to share and gain experiences to work collectively toward the SDGs and the UN Sustainable development Agenda 2030.

In this 13th Mashhad Joint Training program, the following topics will be addressed by well-known global experts and thought leaders:

- 1. Increasing Municipal Revenue with SMART Solutions
[Uraia Capacity Building Workshop- Citizenship Series]**
- 2. Urban Regeneration with People's Participation**
- 3. Local Govt - Human Resource Management & Reforms**

These training courses will be conducted in English and are aimed for Mayors, urban decision-makers and city managers.

The Mashhad International Institute is delighted to cover accommodation, including lodging (only from December **1st to 5th**), breakfast, lunches and inner-city transportation, for one person from each city for each workshop (3 in total). Other participants should pay for their accommodations themselves.

More comprehensive information posted on our website in early October. For more information, please contact the Metropolis International Institute – Mashhad Branch office
